Cathedral of the Isles, Millport, Isle of Cumbrae

Dear Friends,

This is the first newsletter from the College of the Holy Spirit with the Cathedral of The Isles, in Millport, Isle of Cumbrae.

I am writing to tell you about special midweek 'Awaybreaks' when you can come to stay at this wonderful place for three nights for the price of two. We have had a glorious Holy Week and Easter, led by Bishop Martin of Argyll and The Isles and the weather remained warm and sunny throughout Easter Week.

We are enthusiastic to attract guests throughout the spring and summer who may wish to come for Bed and Breakfast, Retreats, or for quiet holidays. There are reduced prices for groups of ten and we enjoy hosting parish groups, creative arts and music ensembles and choirs. The Cathedral has an excellent acoustic and there are separate areas available for practice.

Please look at our websites – www.argyll.anglican.org/millport or at our alternative site www.island-retreats.org to see our refurbished facilities for groups and individual guests. Our prices start at £30 per person per night for bed and breakfast and vary according to the type of room you book. Later in the year there will be retreats in Music, Art and Liturgical Dance. Please contact me for details or to book places for these events.

Individual guidance and counselling is available to those who request it. Our island is a beautiful place with interesting wildlife, good cycling and excellent museums. It is ideal for those who are seeking a holiday in wonderful natural surroundings with many small beaches and an excellent golf course.

With best wishes
